

CIVIC TRUST AUCKLAND

Become involved
in your city's future

www.civictrustauckland.org.nz

WHAT THE TRUST STANDS FOR

Civic Trust Auckland was incorporated in 1968 in response to the increasing environmental pressures created by Auckland's rapid growth. The Trust has provided a platform for people with a variety of skills and interests to come together with the common purpose of protecting and enhancing Auckland's environment.

Our aims include:

- protection of natural landforms, public spaces, coastlines and waterways
- protection of areas and places of heritage value
- promotion of environmental issues
- encouragement of good planning.

WHAT THE TRUST DOES

The Trust is involved in a broad range of activities including:

- hosting seminars, talks and exhibitions on current heritage and environmental issues
- natural heritage projects, including tree planting
- making submissions on planning proposals
- encouraging public participation in decisions about Auckland's future
- supporting the work of kindred organisations.

BECOME A MEMBER

Civic Trust Auckland encourages individuals as well as corporate entities to join. Your support will help us to protect and enhance the environment of our city and region.

Membership of the Trust offers you:

- a voice for your concerns about your city
- the opportunity to meet like-minded people
- regular newsletters and notices of events
- the opportunity to participate on subcommittees.
