

# CIVIC TRUST AUCKLAND

Become involved  
in your city's future

[www.civictrustauckland.org.nz](http://www.civictrustauckland.org.nz)

## WHAT THE TRUST STANDS FOR

Civic Trust Auckland was incorporated in 1968 in response to the increasing environmental pressures created by Auckland's rapid growth. The Trust has provided a platform for people with a variety of skills and interests to come together with the common purpose of protecting and enhancing Auckland's environment.

## Our aims include:

- protection of natural landforms, public spaces, coastlines and waterways
- protection of areas and places of heritage value
- promotion of environmental issues
- encouragement of good planning

## WHAT THE TRUST DOES

The Trust is involved in a range of activities including:

- making submissions on council planning documents and relevant legislation
- hosting lectures in heritage venues
- encouraging public participation in decisions about Auckland's future
- supporting the work of kindred organisations, such as promoting their work and advertising events
- posting relevant media stories and notices on the Trust's website
